

Savonn Handsoap

Pearlised HL 990

Descriptions

Savonn Handsoap HL990 is a concentrated product to be diluted and dispensed using any dispenser manually or automatic. Savonn Hand Soap is a liquid hand soap designed for use in bulk hand-soap dispensers wherever hand washing is done.

Special Features

- Automatic dispensing eliminates measuring and mixing and ensures accurate dilutions
- Luxury lotion feel
- Gentle, sudsing surfactant formula
- Pleasant Fragrance
- Effectively removes soil and body oils from hands

Applications

Use Savonn Handsoap HL990 ;

- Intended for hand washing

Prepare dispenser:

Empty old soap from existing dispenser and thoroughly clean to remove all old soap and soil build-up.

Rinse dispensers to remove any residue.

Disinfection of soap dispensers will minimize bacterial growth on dispenser, however, after disinfecting you must rinse with water prior to filling with soap.

Packaging

20 Liters /10 Liters / 5 Liters

Directions for use:

1. Dilute Savonn Hand Soap HL990 with cold water using the dispenser into a properly labeled 5 litre container.
2. Pour Savonn hand soap into cleaned dispenser.
3. Store remaining hand soap in a closed container for future use.
4. Refill soap dispenser as needed.
